# Your 10 All-Inclusive Advantages

Unlike other providers who add hidden service fees at the end, our pricing is 100% transparent and all-inclusive. Everything below is included in your investment.

-  **A 3-Week, Risk-Free Trial**  
Experience the difference in your own world with no obligation to purchase. You can try a different hearing aid each week of the trial to compare models and find the perfect fit for your lifestyle.
-  **Personalized Fitting & Fine-Tuning**  
Your expert initial fitting and all adjustments for the first 3 months are included.
-  **Regular Hearing Health Checks**  
We provide complimentary hearing tests and device recalibration every 2 years to adapt to any changes in your hearing.
-  **A 3-Year Warranty & Loss Insurance**  
Your investment is protected by a comprehensive 3-year warranty and loss insurance in Switzerland. Please note that Terra and Lumity models, as well as all accessories, come with a 2-year warranty and do not include loss insurance.
-  **Lifetime Professional Deep Cleaning**  
Keep your devices in peak condition with free, professional cleaning and dome replacement at our clinic, for life.
-  **Convenient Remote Adjustments**  
To ensure the best hearing outcomes, your initial & final visits are held in person, while follow-ups can be arranged either in person or remotely through a secure smartphone app.
-  **A Complete Phonak Care Kit + Charger**  
You'll receive a full kit with all the necessary tools and supplies for at-home care. The charger is fully included in the price if you purchase rechargeable hearing aids.
-  **Loaner Devices During Repairs**  
You'll never have to be without hearing. We provide loaner devices free of charge if you ever need service.
-  **Full Support with All Paperwork**  
We handle the complexities of insurance and financial aid reimbursement for you, from start to finish.
-  **Flexible Monthly Payment Plans**  
Payment is due within 7 days of finishing the trial. We also offer accessible payment plans to suit your budget, ensuring nothing stands in the way of better hearing.
