

OUR ACCESSORIES

WHEN HEARING AIDS ALONE ARE NOT ENOUGH

You may never need them, but it's good to know that there are easy-to-use accessories that work with Phonak hearing aids when they are not enough on their own, making voices even clearer and sharper.

Price incl. VAT. 2-year warranty. Free 10-day trial with no obligation to buy. Compatible with Phonak Marvel (M), Paradise (P), Lumity (L), Infinio/Sphere (I), and Virto-312 hearing aids, excluding Virto-10 hearing aids.

Hear the television better

TV CONNECTOR

Broadcast the sound of your television directly into your two hearing aids and turn your hearing aids into wireless headphones. Exceptional sound quality thanks to Phonak AirStream technology

CHF 180

Quickly change the volume of your hearing aids

REMOTE CONTROL

Instantly change the volume of your hearing aids with this discreet remote control. A single button lets you quickly switch to the TV Connector function or your favourite programmes from your hearing aids. Bluetooth technology. Battery life: approx. 12 months.

CHF 260

Hear a distant person more clearly

PARTNERMIC

Send someone's voice directly into both your hearing aids, and hear them clearly and distinctly, even when they're a long way away. Phonak AirStream technology, rechargeable via USB. Provides 6 hours of streaming per charge and takes 3 hours to fully recharge.

CHF 320

Hear better in group discussions

Want to take part in group discussions at last? Now you can with 'Roger On' and 'Table Mic'! Send the voice of several speakers directly into your two hearing aids and hear them in clear, crisp sound.

ROGER ON V3

Also includes TV Connector and PartnerMic functions. Provides 8 hours of streaming per charge and takes 5 hours to fully recharge. Phonak MultiBeam technology. Rechargeable via USB.

CHF 2000

TABLE MIC

Easy-to-use system. Provides 16 hours of streaming per charge and takes 2 hours to fully recharge. Supplied with remote control. Phonak MultiBeam technology. Rechargeable via USB. CHF 500 less if you wear just one hearing aid.

CHF 2500
