

PHONAK LYRIC

The 100% Invisible

This spongy in-ear device is placed deep in the ear canal, making it the only 100% invisible hearing aid. Its very low power consumption means you can wear Lyric 24 hours a day for months on end without taking it off. Device is replaced by a new device every 2 to 3 months or when the battery is flat. Sold as an annual subscription. Includes up to 8 disposable Lyric devices per year per ear. A product of Swiss engineering by Sonova.
